15 Toughest Interview Questions and Answers-1

The second type of question, sentence relationships, presents two sentences followed by a question about the relationship between these two sentences. The question may ask, for example, if the statement in the second sentence supports that in the first, if it contradicts it, or if it repeats the same information.

Sample Questions for Students - The College Board

By far one of the most commonly searched-for interview questions, the "weakness" question is difficult to properly tackle. This one could sink you unless you're careful. Obviously, "I work too hard" is not the answer (although you'll find plenty of bad advice elsewhere online that would advocate saying that).

The 10 Most Common Interview Questions and Answers

Answer all questions in this part. Directions (1–50): For each statement or question, write on the separate answer sheet the number of the word or expression that, of those given, best completes the statement or answers the question.
