Diagnose Made Easy Don't know what's wrong with your car? Then use AutoMD's intuitive "question tree" car diagnostic feature. Developed by the AutoMD service shop specialists, this feature lets you narrow down possible auto problems based on symptoms, area, and visual inspection.

Car Diagnostic - How to Troubleshoot Car Problems | AutoMD

If a question is difficult, mark the answer that you think is correct and flag the question using the on-screen button. Then go on to the next question. When you have finished the test, you may have time to go back to the flagged questions. Your score is based on the number of correct answers that you give, so you should try to answer every question.
